Treoirlíntí | General Guidelines & Information

- All Éigse activities, Club Éigse, Friday morning concert and recitals are included in the student registration fee. Accompanying adults are admitted to recitals and concert free of charge.
- Students are placed in initial classes to facilitate the grading process. Following assessment by a tutor, pupils are placed in appropriate classes with a low student: teacher ratio. Tutors at Scoil Éigse teach according to a planned progression based on the musical and instrumental competency of the student. Tutors take into consideration the aural transmission skills of the students, their age, familiarity with core repertoire and listening skills etc., in addition to their technical skill. Students who wish to change from one class to another must firstly consult with their own tutor who will advise accordingly and discuss with the tutor into whose class they wish to move. There must be a valid reason for this move. Venue managers and senior instrument tutors are to be informed of such transitions.
- Queries in relation to Scoil Éigse tuition and related educational activities should be directed to the tutor and the Scoil Éigse Management team who will deal with each query on its individual merits.
- Students may be encouraged to use recording devices for the purposes of recording tunes/songs as directed by the tutor. Mobile phones and other recording devices are not to be used in class except on the clear instruction of the tutor. Such recordings are for the pupils' own personal use unless otherwise approved by the tutor.
- Parents and families of Éigse students are welcome at Éigse non-tuition activities.
- Please note students are responsible for their own instruments at all times and students are requested to have owner details displayed in their instrument case.
- Any access requirements or medical issues will be considered in the appropriate manner, based on notification (see medical disclaimer). Parents undertake to notify our administration team if their contact details change.
- Attendance records are taken during class times only, this does not include recitals, lunch times, morning break or Club Éigse.
- Students are required to wear the required Scoil Éigse identification at all Éigse activities.
- Scoil Éigse is not responsible for pupils who leave the tuition premises during class and morning break times.

All photography & audio-visual permits/media visits must be requested via the Éigse Information Centre, Contact Kieran Hamrahan (+353 86 806 7099)

Scoil Éigse has a structured complaints procedure – written information on same available from Éigse information centre. Scoil Éigse is guided in practice by CCÉ's Child Protection Policy and is committed to its appropriate implementation.
